

Department of Physical Geography and Regional Geographical Analysis  
Faculty of Geography and History  
University of Barcelona

**PhD Thesis**

# **The Western Mediterranean Oscillation and Rainfall in the Catalan Countries**

**Memory presented by**  
**Joan Albert López i Bustins**  
*(Summary)*

**PhD Director**

**Prof. Dr Javier Martín Vide**  
**University de Barcelona**

**Barcelona, June 2007**
