ANNEX 5.2: Anàlisi dels resultats basades en les taules de l'apartat 5.2

Nota: Hem anomenat "COEF" a la variable dependent, i diversos altres noms a les altres variables independents que entren en cada anàlisi. Per conèixer a què fa referència cadascuna de les anàlisis cal remetre's a l'apartat 5.2 del capítol 5. Allí és on es relacionen amb l'estudi concret per al qual han estat utilitzades.

Algunes de les anàlisis s'han realitzat tot restringint-les a una part de les dades. En aquests casos s'indica, mitjançant la paraula *filter*, la condició que ha estat utilitzada per a delimitar el subgrup de les dades

Annex 5.2.1.-Comparació de les mitjanes entre la identificació i el reconeixement
